Controlled motor vehicles - Release Order No.86.

Sir,

In continuation of my letter No. F.27(1)-44/W dated the 6th May 1944, I am directed to say that the 15 vehicles reserved by the Government of India for the Hindustan Aircraft Factory are required by them urgently. It is necessary that they should have chevrolet chassis. General Motors India have therefore been requested to deliver 15 Chevrolet chassis to them as soon as possible through Messrs. Simpson & Co. Ltd., Bangalore. Since the Hindustan Aircraft Factory is in the State limits, it will be more convenient if sale orders are issued for them by the Chief Rationing Authority in Mysore under the Mysore Controlled Motor Vehicles Order, and he may kindly be requested to do so as soon as the vehicles are ready for delivery. This will not be allowed to prejudice in any way the Mysore State's share of the remaining 81 vehicles, which will be decided on merits according to relative priority at the proposed conference.

I have the honour to be,
Sir,
Your most obedieint servant,

a.s. Borker
